**\*\*\*These providers are contracted to bill Aetna for flu shots and they are familiar with the process. Please advise the provider that your group carries Aetna benefits.**

**\*\*Flu shot providers may bill the member for any amount not covered by the member's plan. Members should read their plan documents to check their individual coverage or call Member Services at the number on their Aetna ID card.**

**\*\*\*Most providers will bill another carrier if they are contracted with that other carrier.**

**Questions**

- Aetna employees can direct questions about the contracted flu vaccine providers to: [nationalancillarycontracting@aetna.com](mailto:nationalancillarycontracting@aetna.com)
- **Plan sponsors should contact their Aetna account manager with questions. Aetna plan sponsors can contact the above providers directly to set up an onsite flu shot clinic.**
- Information about retail and walk-in flu vaccine clinics is available on [DocFind](#) under "Search for" and then under "Find a flu shot/vaccine provider".

<sup>1</sup>The fees quoted above are for the quadrivalent or high-dose flu vaccine as listed.

<sup>2</sup>California (CA) Commercial HMO members are covered under their PCP capitation or in network walk-in clinics for the seasonal flu vaccine. No exceptions will be made for this flu shot season if the member chooses to get a flu shot at a corporate/workplace clinic or anywhere outside of PCP capitation or in network walk-in clinics. Claims for these members outside of PCP capitation or in network walk-in clinics will be denied. California Medicare members and California PPO members can receive their flu shot from any Aetna participating provider contracted for these services including the providers listed above.
